LOGO GUIDELINES

- Please send your logo to bellavinogiftbaskets@gmail.com
- Formatted in black and white, no grey or shading
- High quality logo .jpeg or .png, 300 dpi or higher with crisp edges on the lettering
- Minimal detail. It won't differentiate at the size we need it for the ribbon, which is between 7/8" and 1"
- It is a hot stamping process, so think of it like an ink stamp, which can't differentiate shading or color
